

Sad Song

Brenda Holloway

Let that sad song play just one more time
There's nothing I could say that would help me find
 The reason why I'm left behind
 With no one to care, no one to share
 The misery that I've brought upon myself
 I'm so lonely & I'm so blue, yeah

So let that sad song play just one more time
There's nothing I could say that could ease my mind
I know I was wrong, but I wish he would come back home
 I could still feel his touch, I need it so much
 I'm so lonely & I'm so blue, yeah

Why don't you, why don't you, why don't you
 Why don't you
 Let that sad song play just one more time
 There's nothing I could say that would ease my mind
 I know I was wrong, but I wish he would come back home
 I could still feel his touch, I need it so much
 I'm so lonely & I'm so blue, yeah
Oh why don't you, why don't you, why don't you play that
 Sad song one more time
 & fade
