

# Don't Make My Baby Blue

## The Shadows

I know that I can't keep her  
Now she's in love with you  
But I just wanna see, I won't be far away  
So don't make my baby blue I know your reputation  
They say you can be true  
But I'll be standing by, so you just better try  
And don't make my baby blue That little girl's an angel  
And it hurts me to set her free  
So you'd better take good care of her  
'Cause she still means the world to me I'm gonna step aside now  
Just like she wants me to  
But even though I'm gone, I'll still be looking on  
So don't make my baby blue That little girl's an angel  
And it hurts me to set her free  
So you'd better take good care of her  
'Cause she still means the world to me I'm gonna step aside now  
Just like she wants me to  
But even though I'm gone, I'll still be looking on  
So don't make my baby blue  
Don't make my baby blue  
Don't make my baby blue
