

# Possess the Land

Marvin Sapp

There are some things that God  
Has promised to the Saints  
An inheritance for those  
Who run and do not faint  
There are some things that God  
Has promised to the Saints  
An inheritance for those  
Who run and do not faint  
Stand in authority  
Walk in your victory  
Rejoice the time is at hand  
Go in, possess the land!  
The time is nigh  
That we may hang on by the waist  
Take back what they Devil stole  
Take back what Jesus gave!  
Stand in authority  
Walk in your victory  
Rejoice the time is at hand  
Go in, possess the land!  
Stand in authority  
Walk in your victory  
Rejoice the time is at hand  
Go in, possess the land!  
God gave it  
Possess it  
Its yours  
Go in  
Possess the land  
God gave it  
Possess it  
Its yours  
Go in  
Possess the land  
God gave it  
Possess it  
Its yours  
Go in  
Possess the land  
God gave it  
Possess it  
Its yours  
Go in  
Possess the land  
God gave it, God gave it  
God gave it, God gave it  
Possess it, possess it  
Possess it, possess it  
Its yours, its yours  
Its yours, its yours  
Possess the land, possess the land

Possess the land, possess the land  
Possess the land, possess the land  
Possess the land, possess the land
