

# Fight for Love

## Drew Holcomb & The Neighbors

What makes the sun go down  
What makes the world spin around  
It's the time we can't have back  
We need need the most How can I stop you in your tracks  
This train's moving way too fast  
Slow down, baby, I can't keep up  
But I keep coming back You got to fight for love  
Fight for what you're dreaming of  
You got to fight for love  
You got to fight for love  
Baby, it's a crying shame  
We don't see it the same way  
Can't make a river run upstream  
And that breaks my heart I remember way back then  
I only knew you as a friend  
Can we try to find the things we lost  
And build it back again You got to fight for love  
Fight for what you're dreaming of  
You got to fight for love  
You got to fight for love Can't just stand here and take it  
Sit and watch the world go by  
You and me we're gonna make it  
Come on, baby, let's give it a try  
You got to fight for love  
Fight for what you're dreaming of  
You got to fight for love  
You got to fight for love
