

Lies and Rumours

Alannah Myles

Hey, hey, hey, hey, hey, hey, yeah, yeah, ah
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey You're playin' with my thunder
Heavens knows I sometimes wonder who you are
You're so sweet but on the street

Who do you meet when we're apart? I see trouble rollin' off you like rain
But I look up and I see lightning again Between the lies and rumours, there's a world of mystery
Baby but I believe in you, do you believe in me? Hey I fell in love with danger, now I'm going
Through all these changes by myself, ooh
You're too cool to play by the rules

But I can't fool with someone else
People saying things I don't wanna hear
But something tells me we've got nothing to fear
Between the lies and rumours, there's a world of mystery
Baby but I believe in you, do you believe in me?
Too many heartaches, too little love
So many reasons for breaking us up
We've got something nobody knows

We got it good, you know I can't let it go
With all the lies and rumours, sometimes you gotta roll the dice
But I believe in you and your cool blue eyes, baby
Between the lies and rumours, there's a world of mystery
Baby but I believe in you, do you believe in me? Hey
La la, la la, hey, hey, hey, hey, hey, hey
La la, la la, hey, hey, hey, hey, hey, hey
La la, la la, hey, hey, hey, hey, hey, hey
