It Ain't No Fun

Shirley Brown

When it's getting late
I guess you'll soon be coming home, yeah
We'll sit and talk and you'll pretend
That your love for me is gone, wellYou act as though I'm just a friend
A quick hello and you'll be down
You'll be down again, ohBut it ain't no fun
Being in love all by yourself
I tell you it ain't much fun
When the one you love loves someone else
And I love youSometimes you say sweet things
To make me think you care
Don't you do that, baby
But tell me how can you give love
When no love, when no love is thereI wish I knew the words to say
To save the love that's slipping away
Away from meIt ain't no fun
Being in love all by yourself
It ain't much fun
Being in love all by yourselfYeah, I know a lot of you ladies out there
Are probably criticizing me this evening
I even run into some ladies occasionally out there
Have the nerve to ask meThey say, Shirley, did you really do that?
Did you really buy him all those cars
And the clothes like you said on the record?
Yeah, love'll make you do these thingsIt's a funny thing how these men
Can make you lie in bed night after night
Wondering if they coming home
Laying there by the phoneHoping that any minute he'll call
And tell you, baby, I'll be there shortly
You just hold on, I'm comingComes in three days later, yeah
I know you know what I'm talking about
You see, it ain't no fun to have to sit there
And count the tile on the floor
Count them four wallsAnd another funny thing
How we ladies can get on that telephone
Talking day after day about how sweet
And how good our love life isYou might be familiar with this
Commercial that comes on TV
How's your love life?

Knowing all the time that it's rotten
Ha ha, having to laugh to keep from crying
Ha ha ha, like I'm doing nowBut you see, the only thing
I've always believed in
Whatever makes me feel happy
I try to do whatever it takes
To keep it that wayBut you see, it ain't no fun
Being in love all by yourself
Knowing all the time that the one you love
Is loving somebody else
I'm standing here to tell you today, ladies
That it ain't no funIt ain't no fun
Being in love all by yourself
No, it ain't no fun
When the one you love loves someone elseIt ain't no fun, no, it ain't
Being in love all by yourself
No, no, no, oh, no, oh, oh, oh
