

Up to My Neck in You

AC/DC

Well I've been up to my neck in trouble
Up to my neck in strife
Up to my neck in misery
For most of my life, I've been a fool
And you know what a fool can do I'm telling you
You came along when I needed you
Now I'm up,
I'm up to my neck in you And I've been up to my neck in pleasure
Up to my neck in pain
I've been up to my neck on the railroad track
Waitin' for the train To cruise on through
Baby my time was due, oh it's way overdue
You came along and pulled me through
Now I'm up Up to my neck in you
Don't it feel good I've been up to my neck in whiskey
I've been up to my neck in wine
I've been up to my neck in wishin'
That this neck wasn't mine I'm a loser, that ain't lost it
Baby you were too good, too good to be true
What you done no one else could do
Now I'm up I'm up to my neck in you
It feels good Yeah you came along when I needed you
I'm up to my neck in you
