

# Where Do I Belong?

Rusty Clanton

Fill up with a new love  
You got thirty hours to the coast to find it.  
And if I don't really quite know  
How to see you will it ever really make sense?  
I know it's feeling different  
I guess I'll figure it out.  
I guess I'll keep on searching.  
Where do I belong?  
Where do I belong?  
It's a hop, skip, and a short trip  
I'm getting closer  
Speak out, thin crowd  
There may be cause for applause  
But the quiet's all mine now.  
Can you feel it's different?  
Can you figure it out?  
I guess I'll keep on searching.  
Where do I belong?  
Could someone tell me  
Where do I belong?  
I need to know it  
Where do I belong?  
Where do I belong?  
I don't know when I'll get there  
But I'm sure I'm on my way  
It's the contrast and compare  
That keeps me asking  
Where do I belong?  
Where do I belong?
