

# Too Long (feat. Romanthony)

## Daft Punk

It's been much too long, I feel it coming on  
The feeling is getting strong  
It's been much too long, I feel it coming on  
The feeling is in my bones Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it At last the long wait is over  
the weight is off my shoulder  
I'm taking all control  
My mind is set so free I'm where I want to be  
To get the best of me Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it I see, you feel the way I do, the feeling all so true  
the good feelings coming through  
My mind is set so free  
I'm where I want to be, to get the best of me Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it It's been much too long, I feel it coming on  
The feeling is getting strong  
It's been much too long, I feel it coming on  
The feeling is in my bones Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it At last the long wait is over  
the weight is off my shoulder  
I'm taking all control yeah  
My mind is set so free  
I'm where I want to be  
To get the best of me Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it You know you need it, I need it too  
you know you need it, it's good for you  
We're gonna move  
You know you need it, I need it too  
you know you need it It's good for you
