

# Go Tell Her

[Janove Ottesen](#)

Take my advice, kiss the eyes before you throw the dice  
'Cause this may be your very last time you see

And before you know it you may find yourself  
Standing on your own again  
And you've got nothing to go to,  
No shoulder to cry on  
From now on, you got no one to rely on

And all of this, just because  
The both of us needs a fix  
Yeah, you think you have it all  
Right until the pain kicks in

I'd better, I'd better  
Go get her, go get her  
I'd better, I'd better  
Go tell her, go tell her

There's nothing sadder than a child without a home  
But it's better to walk with someone,  
Than to walk the streets alone  
There's nothing sadder than a child without a home  
But it's better to walk with someone,  
Than to walk the streets alone

I'd better, I'd better  
Go get her, go get her  
I'd better, I'd better  
Go tell her, go tell her

There's nothing sadder than a child without a home  
But it's better to walk with someone,  
Than to walk the streets alone  
There's nothing sadder than a child without a home  
But it's better to walk, better to walk, better than to walk alone

Better to walk, better to walk, better than to walk alone
