

Everything I Do (Miss You)

Whiskeytown

She's got diamonds in her eyes
That she likes to hide
Seek and you'll find
The hide and seeking kind
She's got rings
Wrapped around your precious things
And what the day brings
Oh, it's no surprise
Don't you ask me how I'm doing
When everything I do says I miss you
Don't you ask me how I'm doing
When everything I do when everything I do
When everything I do says I miss you
She's got diamonds in her eyes
That she likes to hide
Seek and you'll find
The hide and seeking kind
She's got rings
Wrapped around your precious things
What the day brings
Oh, it's no surprise
Don't you ask me how I'm doing
When everything I do says I miss you
Don't you ask me how I'm doing
When everything I do when everything I do
When everything I do says I miss you
She's got diamonds in her eyes
That she likes to hide
Seek and you'll find
The hide and seeking kind
She's got rings
Wrapped around your precious things
What the day brings
Oh, it's no surprise
Don't you ask me how I'm doing
When everything I do says I miss you
Don't you ask me how I'm doing
When everything I do when everything I do

When everything I do
