

# Up to Me

## Jethro Tull

Okay, this is up to me  
One, two, three, fourTake you to the cinema  
And leave you in a Wimpy Bar  
You tell me that we've gone too far  
Come running up to meMake the scene at Cousin Jack's  
Leave him to put the bottles back  
Mends his glasses that I cracked  
Well that one's up to me, yeahBuy a silver cloud to ride  
Pack the tennis club inside  
Trousers cuffs hung far too wide  
It was up to meTyres down on your bicycle  
Your nose feels like an icicle  
The yellow fingered smoky girl  
Is looking up to me, yeahOh, you know it's up to me girl  
Oh it's up to meWell I'm a common working man  
With a half of bitter bread and jam  
And if it pleases me I'll put one on you man  
When the copper fades away, yeah yeahOh, you know it's up to me, yeah  
It's up to meThe rainy season comes to pass  
The day-glo pirate sinks at last  
And if I laughed a bit too fast  
Well it was up to meTake you to the cinema  
And leave you in a Wimpy Bar  
You tell me that we've gone too far  
Come running up to me, yeahOh, you know it's up to me, yeah  
Oh, it's up to me, oh
