

Hope (tell Everyone)

David Usher

Light breathe exhale
the damage is done
tonight weve failed
so tell everyone
the ships have gone by
tell everyone
i took them from the sky
you are the one
who give me hope
you are the one
who give me hope
tell everyone

stop fight dont hide
the sun has gone pale
im locked outside
the desers gond cold
these flowers wont survive
the mountains just laugh
and smil as we go by
you are the one
who give me hope
you are the one
who give me hope
tell everyone
