

# Would I Love You, Love You, Love You

Doris Day

Would I love you  
If I thought that you'd love me too  
Does a birdie fly  
Ooh-ooh-ooh-aah Would I want you  
If I thought that you'd want me too  
Does a baby cry  
Yeah-yeah-yeah (Would I love you)  
Each and every day  
(Would I love you)  
Darling, come what may  
(Would I love you)  
Ooh-ooh, I would and I do  
With a love that is true Oh, would I kiss you  
If I thought that you'd come on and kiss me too  
Does a river flow  
'N just in case you'd like to know  
Would I hold you  
And never let you go for my whole life through  
Does a fire glow Oh, my Darlin', Darlin', Darlin'  
(Would I love you)  
Oh, you don't have to doubt it  
(Would I love you)  
There's no question about it  
(Would I love you)  
Darlin', Darlin', Darlin', I would and I do  
With a love that is true Ooh-ooh-ooh-ooh-ooh  
(Would I love you)  
As long as I'm here, I will  
(Would I love you)  
For everything that I'm worth  
(would I love you)  
Just like a flower loves the rain  
(Would I love you)  
I try to never
