

Just 'n' Image

Ace of Base

I'm driving through the night
I'm driving through the rain
The engine roars I'm on my
Way for Mr. Pain My eyes keep seeing what
My mind wants to forget
Those sequences
They Rock n' Roll inside my head Over and over and over again
I concentrate harder and harder and then You are just an image
(That I can see)
You are not for real, you are not for real
You turn into a picture of somebody
(That I can see)
Someone I don't know, someone The wolves cry out tonight
I see your broken line
The sun will rise without
A love without a smile I always think about
The way you had to leave
I'll close my eyes
'Cause I was with you by that time Faster and faster and faster ahead
As if you were waiting for me down the way You are just an image
(That I can see)
You are not for real, you are not for real
You turn into a picture of somebody
(That I can see)
Someone I don't know, someone I don't feel You turn into a picture of somebody
Someone I don't know, someone You are just an image
You are not for real
You turn into a picture of somebody, yeah Faster and faster and faster ahead
As if you were waiting for me down the way I have never seen you lying on the floor
Crying needing more
I have never seen you lying on the floor
Crying needing more
I have never seen you lying on the floor
