## **Stay Hungry (Remastered Album Version)**

## **Twisted Sister**

Are you feeling the fire?

Are you ready to explode?

Are your dreams and desires

Riding down an open road?

I'm like a runaway

A heart without a home

Others can laugh and play

I'll fight for every inch I take

I'm desperate to the boneStay hungry

Feel the fire

Stay hungry

Don't explode

Stay hungry

With desire

Stay hungry you're aloneBe the hunter and the hunted

Keep your target in your sight

Don't be side tracked or shunted

Let pretenders feel your bite

And if you start to slide

Never show you're weak

Don't feel you've got to hide

Remember what you're fighting for

Remember what you seekStay hungry

Feel the fire

Stay hungry

Don't explode

Stay hungry

With desire

Stay hungry you're alone

All right!If your fire is faded

And you can't feel it no more

If you're tired and overrated

Let me show you to the door

Expect no sympathy

There's none to be had

Open your eyes and see

There's no room for the wannabees.

The has beens or the badStay hungry

Feel the fire

Stay hungry

Don't explode

Stay hungry

With desire

Stay hungry you're alone

Stay hungry

Feel the fire

Stay hungry

Don't explode

Stay hungry

With desire

Stay hungry you're alone
