

# Dessert (feat. SilentA<sup>3</sup>)

Dawin

They can imitate you  
but they can't duplicate you  
'cause you got something special  
that makes me wanna taste you  
I want it all day long  
im addicted like it's wrong  
I want it all day l-o-o-ong  
im addicted like it's wrongs  
They can imitate you  
but they cant duplicate you  
'cause you got something special  
that makes me wanna taste you  
I want it all day long  
im addicted like it's wrong  
I want i all day l-o-o-ong  
Im addicted like it's  
Watcha gon watcha gon  
do with that dessert?  
Murda' that murda' that  
danceflo' danceflo'  
Are you saving that dessert for me  
'cause if you want baby you know  
you can work for me  
The way you do it causing jealousy  
But you don't ever gotta worry  
'bout the enemy  
They tryna do it like you (Like you)  
And they get mad 'cause they dont do it  
sucessfully  
They try to copy your moves (Your moves)  
But they dont never ever do it that  
tastefully  
They can imitate you  
but they cant duplicate you  
'cause you got something special  
that makes me wanna taste you  
I want it all day long  
im addicted like it's wrong  
I want i all day l-o-o-ong
