Twilight

Vanessa Carlton

I was stained, with a role

In a day not my own

But as you walked into my life

You showed what needed to be shownAnd I always knew, what was right

I just didn't know that I might

Peel away and choose to see

With such a different sightAnd I will never see the sky the same way and

I will learn to say good-bye to yesterday and

I will never cease to fly if held down and

I will always reach too high 'cause I've seen

'Cause I've seen, twilightNever cared never wanted

Never sought to see what flaunted

So on purpose so in my face

Couldn't see beyond my own placeAnd it was so easy not to behold

What I could hold

But you taught me I could change

Whatever came within these shallow daysAnd I will never see the sky the same way and

I will learn to say good-bye to yesterday and

I will never cease to fly if held down and

I will always reach too high cause I've seen

'Cause I've seenAs the sun shines through

It pushes away and pushes ahead

It fills the warmth of blue

And leaves a chill instead and I didn't know that I could be so blind

To all that is so real

But as illusion dies I see there is so much

To be revealedAnd I will never see the sky the same way and

I will learn to say good-bye to yesterday and

I will never cease to fly if held down and

I will always reach too high 'cause I've seen

'Cause I've seen, twilightI was stained, by a role

In a day not my own

But as you walked into my life

You showed what needed to be shownAnd I always knew, what was right

I just didn't know that I might

Peel away and choose to see

With such a different sightAnd I will never see the sky the same way and

I will learn to say good-bye to yesterday and

I will never cease to fly if held down and

I will always reach too high 'cause I've seen 'Cause I've seen, twilight
