

# Behind the Lines (2015 Remastered)

Phil Collins

I held the book so tightly in my hands,  
I saw your picture, heard you call my name  
It was strange I could not look away,  
I had to be there, I wanted to go You gave me no reason  
You gave me no warning  
But I was with you,  
Right by your side  
Give me the strength, so I can help you  
And I can be strong now, they don't frighten me It's written in the book The sun is hotter than before  
But inside it's cold, I wonder why  
But if the fire within your heart can beat the storm  
Well I believe we can make it right It's time now  
To show our feelings  
Looking through you  
Your heart's empty  
Whatever happened to you, you can't change it,  
Nowhere to run to, please, oh please don't let me down But wait a minute I don't understand  
It's getting stronger, hold my hand  
Don't want to leave you I don't want to go  
But I'm a' losing all control  
Can't you see me I'm slipping away  
I can only stay if you've the will to keep me here  
Oh Lord It's written in the book I held the book so tightly in my hands  
Saw your picture, heard you call my name  
Oh, and even though we never, never touched  
I keep waiting for you just the same Uh-uh, uh-uh, uh-uh  
La la la la la la la la la la  
La la la la la la la la la la La la la la la la la la la la  
La la la la la la la la la la La la la la la la la la la la  
La la la la la la la la la la
