

Chinese Takeaway

The Adicts

Hey, hey
I want a Chinese takeaway
Hey, heyWent to the fish shop
Went to the chip shop
Went to the burger shop
Didn't have a long stopHey, hey
I want a Chinese takeaway
Hey, heyWent to these places
Meet a lot of faces
No television
No competitionHey, hey
I want a Chinese takeaway
Hey, heyNow I'm in the right shop
To stop my hunger
Can't make my mind up
I'll just pick a number
