Houdini

The Life and Times

I wait at the table
And hold hands with weeping strangers
Wait for you
To join the group
The tambourine jingle-jangles
The medium roams and rambles
Not taken in
I break the circle
I want this man
To go away now
With a kiss
I'd pass the key
And feel your tongue
Teasing and receiving
With your spit
Still on my lip
You hit the water
Him and I in the room
To prove you are with us too
He's using code that only you and I know
This is no trick of his
This is your magic
I'd catch the cues
Watchin' you
Hopin' you'd do somethin' wrong
Everybody thinks you'll never make it
But every time
You escape
Rosabel, believe
Not even eternity
Can hold Houdini
Rosabel, believe
Through the glass
I'd watch you breathe
(Not even eternity)
Bound and drowned
And paler than you've ever been
(Will hold Houdini)
With your life

The only thing in my mind
We pull you from the water
Houdini
You
(Houdini)
And I
And Rosabel believe
