

# Houdini

## The Life and Times

I wait at the table  
And hold hands with weeping strangers  
Wait for you  
To join the group  
The tambourine jingle-jangles  
The medium roams and rambles  
Not taken in  
I break the circle  
I want this man  
To go away now  
With a kiss  
I'd pass the key  
And feel your tongue  
Teasing and receiving  
With your spit  
Still on my lip  
You hit the water  
Him and I in the room  
To prove you are with us too  
He's using code that only you and I know  
This is no trick of his  
This is your magic  
I'd catch the cues  
Watchin' you  
Hopin' you'd do somethin' wrong  
Everybody thinks you'll never make it  
But every time  
You escape  
Rosabel, believe  
Not even eternity  
Can hold Houdini  
Rosabel, believe  
Through the glass  
I'd watch you breathe  
(Not even eternity)  
Bound and drowned  
And paler than you've ever been  
(Will hold Houdini)  
With your life

The only thing in my mind  
We pull you from the water  
Houdini  
You  
(Houdini)  
And I  
And Rosabel believe
