Run To Her

Mr. Mister

I see myself locked in her arms
She looks inside my soul
She is much too beautiful to ever let go
Time, it passes much too fast
And time, I want to make it lastOh, I run to her
I run to herYesterday's a vivid dream
She came into my life
The sun was shining brightly
As we talked into the night
Time, how it passes much too fast
Time, now I want to make it lastOh, I run to her
I run, run to her
