Million Bucks

Cimorelli

(Verse 1)
I don't need a thousand people screaming my name
I don't need overnight Hollywood fame
I don't need platinum records up on the wall
I don't need a Lamborghini in the garage
(Pre-Chorus)
Oh whoa oh
Those things won't last forever
Oh whoa oh
What I got is so much better
(Chorus)
You and me, on a summer night
Park that car, dancing in the headlights
You and I, late night drives
Your hand in mine
And all your time
I don't need money in my pocket
Diamonds on my neck
The time I spend with you
I know I'll never forget
You and me is more than enough
'Cause you make me feel like a million bucks
(Verse 2)
I don't need a jetsetter up in the sky
I don't need a name dropping guy
I don't need a chauffeur waiting on me
I don't need more than a t-shirt and jeans
(Pre-Chorus)
Oh whoa oh
Those things won't last forever
Oh whoa oh

What I got is so much better
(Chorus)
You and me on a summer night
Park the car, dancing in the headlights
You and I, late night drives
Your hand in mine and all your time
I don't need money in my pocket

Diamonds on my neck
The time I spend with you
I know I'll never forget
You and me is more than enough
'Cause you make me feel like a million bucks
(Bridge)
You make me feel
You make me feel like a million bucks
Like a million bucks yeah
(Chorus)
You and me on a summer night
Park the car, dancing in the headlights
You and I, late night drives
Your hand in mine and all your time
I don't need money in my pocket
Diamonds on my neck
The time I spend with you
I know I'll never forget
You and me is more than enough
'Cause you make me feel like a million bucks
You make me feel
You make me feel
'Cause you make me feel like a million bucks
