

Love Will Set You Free

Engelbert Humperdinck

So graceful and pure, a smile bathed in light
No matter the distance, a miracle of sight
Though I should have known, I could not turn away
When faced with your beauty no reason can stay
As you kiss him in the moonlight
With heavy words I say
If you love someone, follow your heart
'Cause love comes once if you're lucky enough
Though I'll miss you forever, the hurt will run deep
Only love can set you free
Trust in your dreams, run with no fear
And if you should stumble remember I'm near
As a ghost I will walk, I'll look deep in my soul
I might find another, you gave me that hope
So as you kiss him in the moonlight
With heavy words I say
If you love someone, follow your heart
'Cause love comes once if you're lucky enough
Though I'll miss you forever and the hurt will run deep
Only love can set you free
And if you love someone, follow your heart
'Cause love comes once if you're lucky enough
Though I'll miss you forever, the hurt will run deep
Love will set you free
