

# Gimme Your Love

## Los Skalameros

Got to gimme your love  
Got to give it up  
Got to gimme your love  
Just cant get enough I said gimme the love that I need so bad  
Cause girl, without you, Im, oh, so sad  
I never want to be without you  
Without you, girl, I dont know what Id do Got to gimme your love  
Got to give it up  
Got to gimme your love  
Just cant get enough Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love You are the one for me now, baby  
And Im the one for you  
Whenever Im without you, darling  
I dont know what to do You got me, girl and you know it  
You got me, girl, dont blow it  
I got to tell you just how I feel  
Cause all these feelings are all for real Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love  
[Incomprehensible] Every night and every day, baby  
Im thinking of you  
I would die if you left me, darling  
Tell me, oh, what should I do You got me, girl and you know it  
You got me, girl, dont blow it  
I just got to let you know  
I could never let you go Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love I said gimme the love that I need so bad  
Cause, girl, without you, Im, oh, so sad  
I never want to be without you  
Without you, girl, I dont know what Id do If I had the world, girl, Id give it to you  
I promise that I will always be true  
Now let me get right down to the point  
What Im trying to say is Im simply the joint Give me your love, girl, uh, give me a kiss  
This is something you should not miss

And girl, dont make a big mistake  
Cause this is something my heart just cannot take  
What Im trying to say  
Is Im the one for you  
Just cant get enough  
Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love  
Gimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love
