Let It Shine (Demo, Previously Unissued Version)

Randy Newman

Whatever happened to
The things you used to do
And all the dreams you dreamed so long?Stop livin' in the past
The good times never last
Well now's the time for movin' on.Let It shine
Let it shine
Let it shine
If there's hope in your heart
Then let it shineLet it shine
Let it shine
Let it shine shine shine
If there's hope in your heart
Then let it shineWhy don't you ever do
All that you want to do?
There's nothin' stoppin' you, you know.You've waited all this time
To leave the past behind
Well now it's fine to let it go.Let it shine
Let it shine
Let it shine
If there's hope in your heart
Then let it shineLet it shine
Let it shine
Let it shine shine shine
If there's hope in your heart
Then let it shine
