

Because Of Who You Are

Sandi Patty

You spoke the words and all the worlds came in to order
You waved your hands and planets filled the empty sky
You placed the woman and the man inside the garden
And though they fell they found compassion in your eyes Oh Lord I stand amazed
At the wonder of your deeds
And yet a greater wonder brings me to my knees Lord I praise You because of who You are
Not just for all the mighty things that You have done
Lord I worship You because of who You are
You're all the reason that I need to voice my prayer
Because of who You are One holy night You brought Your promise from a virgin
And the promise grew as He revealed to us Your heart
Enduring love displayed through out His crucifixion
And in the dark, You tore the grave and death apart Oh Lord I stand amazed
At the wonder of your deeds
And yet a greater wonder brings me to my knees Lord I praise You because of who You are
Not just for all the mighty things that You have done
Lord I worship You because of who You are
You're all the reason that I need to voice my prayer
Because of who You are Lord I praise You because of who You are
Not just for all the mighty things that You have done
Lord I worship You because of who You are
You're all the reason that I need to voice my prayer
Because of who You are Because of who You are
