

# The Tenmiletongue

## Night In Gales

deathdischargin' bulletcock  
in for some astrocoffinrock  
with a wordwarpin' dustthroat's spin  
kickin' off another silvergrin  
a nevernight's nethersight  
psiloblast and casketlights  
ridin' the neonink tonightso tells the tenmiletongue  
that licks the word it's nailed uponcoffinmilk and bastardbone  
the ultrasonic filthparole  
through silvercosmochemicals  
to another's words from verminwells  
a nevernight's nethersight  
psiloblast and casketlights  
ridin' the neonink tonightthe spacescythe's out  
to cut some throats again  
and i guess mine will be next
