

Bubblin' (Single Version) [feat. L.A.D.Ã%o.]

Blue

Yo, come on, Blue
That's right
You know what I'm sayin'?
Get back, come on, come on, well, well I think you're 'bout it, 'bout it
No one could ever doubt it
You're looking so delicious
Could this be the night that we uhh Get closer just a little
Take it up another level
Look, it's just plain and simple
Could this be the night that we uhh Don't fight it, can't hide it
Let's ride this
It just feels so right Girl you got the perfect body
Love the way you're shakin' it for me
Can we take it upstairs from the lobby?
I don't see nothing in you and me bubblin' How do we get started?
How do we get private?
Once we get inside it's gonna be troublin'
You and me bubblin' Yo, yo, yo, come on
Why don't we get this poppin'
Top floor with no disturbing
Room service in the morning
This will be the night that we uhh Elevator's waiting open
Don't you think it's time we go in
Can't keep the penthouse waiting
This will be the night that we uhh Clock's tickin', time's wasting
And you're amazing
This just feels so right Girl you got the perfect body
Love the way you're shakin' it for me
Can we take it upstairs from the lobby?
I don't see nothing in you and me bubblin' How do we get started?
How do we get private?
Once we get inside it's gonna be troublin'
You and me bubblin' Got a body like woah
Why you waiting over there, let's roll
Take it all the way to the top floor
And let's get bubblin', girl, bubblin' girl Got a body like woah
Why you waiting over there, let's roll
Take it all the way to the top floor
And let's get bubblin', girl, bubblin' girl Ooh, woo

Woo oohGirl you got the perfect body
Love the way you're shakin' it for me
Can we take it upstairs from the lobby?
I don't see nothing in you and me bubblin'How do we get started?
How do we get private?
Once we get inside it's gonna be troublin'
You and me bubblin'Girl you got the perfect body
Love the way you're shakin' it for me
Can we take it upstairs from the lobby?
I don't see nothing in you and me bubblin'How do we get started?
How do we get private?
Once we get inside it's gonna be troublin'
You and me bubblin'Wanna get bubblin' girl?
