Come

Ullanda Innocent Palmer

Come, if you are burdened.
Come, if you are weak.
Come, if you are hurting.
Come, cast all your cares at Jesus' feet.
If you need healing,
Come, if you need peace.
Come, if you need a shoulder to cry on.
Come, He knows what you need.

Chorus:
He's the burden bearer, miracle maker, merciful faithful and true.
Blessings pour down, sweet peace is found; when He holds His hands out to you.
And whispers,come.

Come, drink living water.
Come, and thirst no more.
Oh come, be filled with His spirit.
Come, Jesus is knocking at your door.
His heart is tender.
Won't you come, His mercies are new.
Oh come, His love last forever.
Come, He's waiting for you.

Chorus:
He's the burden bearer, miracle maker, merciful faithful and true.
Blessings pour down, sweet peace is found; when He holds His hands out to you.
And whispers,come.

instrumental interlude

Chorus:
He's the burden bearer, miracle maker, merciful faithful and true.
Blessings pour down, sweet peace is found; when He holds His hands out to you.
And whispers,come.

He's the burden bearer, miracle maker, merciful.
He's the one who is faithful and true.
Blessings pour down, sweet peace is found; when He holds His hands out to you.
And whispers,
come right here.

Come right now.
Won't you come.
