

# What Is Life

## Shawn Mullins

What I feel, I can't say

But my love is there for you anytime of day

But if it's not love that you need

Then I'll try my best to make everything succeedAnd tell me, what is my life without your love

And tell me, who am I without you by my sideWhat I know, I can do

If I give my love now to everyone like you

But if it's not love that you need

Then I'll try my best to make everything succeedTell me, what is my life without your love

Tell me, who am I without you by my sideTell me, what is my life without your love

Tell me, who am I without you by my sideWhat I feel, I can't say

But my love is there for you anytime of day

But if it's not love that you need

Then I'll try my best to make everything succeedAnd tell me, what is my life without your love

And tell me, who am I without you by my sideOh, tell me, what is my life without your love

Tell me, who am I without you by my sideWhat is my life without your love

Tell me, who am I without you by my sideOh, tell me, what is my life without your love

Tell me, who am I without you by my side
