

The Big Picture

Jen Hirsh

Someone smashed my window
Broke into my brand new car
 Last night
Caught my boyfriend looking
 At another slender
 Pair of thighs
 Gotta make more money
Gotta get gotta get there faster than
 The rest
 Knock 'em off the ladder
 If they even seem to
 Stand a chanceThe big picture
 Gotta big white cloud
 The big picture
 Is starin' at me
Starin' at meWhy do I feel so threatened
 That somebody else will
 Take what's mine
 Babe it's only rented
 No one really owns the
 Merchandise
 What about what I want
Somehow it got lost somewhere
 Inside
 My mother's on my case
 I told her it's my life
Well, she just diedThe big picture
 Gotta big white cloud
 The big picture
 Starin' at me
 Starin' at me
 The big picture
 On a big blank wall
 The big picture
 Is starin' at me
Starin' at meWhen I can see
 I'll try again
 I've got my paints
The big picture...The big picture

Gotta big white cloud
The big picture
Starin' at me
Starin' at me
The big picture
On a big blank wall
The big picture
Is starin' at me
Starin' at me
