## Pasadena Roof Orchestra

Ooh Its such a long, long way to Pasadena  
Ooh Its such a long, long way to Pasadena Where the dirt track meets the highway  
And there aint no time at all  
Just a world movin forward  
On a big black motored crawl And the drivers in their Chevrolettes  
Aint got no time at all  
To find no lonely hikers way  
Its when I wanna say Ooh Its such a long, long way to Pasadena  
Ooh just to find some air thats kind of cleaner  
Pasadena town is where Im goin Why did they cut Beales Rise  
To stage coach through Newhall  
For a Mustang pony car  
To muss up City Hall Now theres a long freeway  
Where the desert used to be  
And theres no way that you can hike it  
Ooh youll see Ooh Its such a long, long way to Pasadena  
Ooh just to find some air thats kind of cleaner  
Pasadena town is where Im goin Do,do,do,do,do do  
Do,do,do,do,do,do do Pasadena town is where Im goin There aint no other town that I call home Ooh Its such a  
long, long way to Pasadena Ooh yeah yeah Ooh Its such a long, long way to Pasadena Oh no my car wont  
start Ooh Its such a long, long way to Pasadena
