

Comets (feat. Frero Delavega)

Natalia Doco

By the meeting of the roads I just fell to my knees
When I knew I had to make a choice
It's a shame, you said, that I may never know
How far I can sometimes go
How far I can sometimes go While my boat is drifting away
By the shore of Miami Bay
I'm still trying to figure out
The end of what I was starting to say
And you found all the footprints that I left in the lawn
When I spied on you every, every, every night
And I wish there was a secret that you said in your sleep,
Just a word that I could keep
Just a word that I could keep While my boat is drifting away
By the shore of Miami Bay
I'm still trying to figure out
The end of what I was starting to say And I wish I was a comet to crash at your feet
Just to be remembered
And I wish I was a comet to crash at your feet
Just to be remembered
While my boat is drifting away
By the shore of Miami Bay
I'm still trying to figure out
The end of what I was starting to say I'm still trying to figure out
The end of what I was starting to say
