

Do You Remember

Boyz II Men

I couldn't have been more than a day over three
Tried to do and be everything that I saw on TV
That won't work now like it did work back then
But then it was easier to imagine for me We never had to care which party would win
Would the fighting go on? Would it ever end?
Yeah, yeah
And I know right from wrong was the safest way to be
When we were free, so young and free And we didn't have a care in the world
We were just too young to understand at all
And if you feel what I'm feelin'
Then you remember Tell me do you remember when
(Do you remember?)
Everything in life was so much better then?
(So much better then, yeah)
Tell me do you remember when
(Tell me)
Do you remember?
(Do you)
Do you, do you remember?
We never had to save for the rainy day
Just enjoying this time in our lives come what may
Surely we never needed to think about the time
Because we were free
(No, we were free)
So young and free
(Oh oh)
And we didn't have a care in the world
And we were just too young to understand, at all
Ooh, and since you feel what I'm feelin'
I know you remember Tell me do you remember when
(And can you tell me do you remember when)
Everything in life was so much better then?
(Ohh yee)
Life was so much better
(Tell me do you remember when)
Could it be that it was so simple then
Do you remember?
Do you, do you remember? Tell me do you remember when
(Do you remember)

Everything in life was so much better then?
(Life was so much better then, yeah)
Tell me do you remember when
(Tell me)
Do you remember?
(I know, I know, I know, I know)
(Do you uhh)
Do you, do you remember when? Everything in life was so much better then
(Life was so much then, yeah)
Tell me do you remember when
(Tell me)
Do you remember?
(Yeah yee yeah)
(Do you, uhh)
Do you, do you remember? (Do you remember when?)
Summer days and nights in September
(Ooh ooh)
(Do you remember when?)
Yeah, ohh
(Do you remember?)
I know you remember
I know you remember
(Hahaha)
