

She Left Me

Victor Bailey

She walked in and said she didn't wanna know anymore
(Anymore, anymore)
Before I could ask why she was gone out the door
(Out the door, out the door) And I didn't know
(Didn't know, didn't know)
What I did wrong
(I did wrong, I did wrong)
But now I just
(I just)
Can't move on Since she left me
(She left me)
She told me
(She told me)
Don't worry
(Don't worry)
You'll be okay, you don't need me
Believe me you'll be fine Then I knew what she meant
And it's not what she said
Now I can't believe that she's gone I tried callin' her up on her phone, no one's there
(No one's there, no one's home)
Well, I've left messages after the tone
Really? Yeah man, loads I didn't know
(Didn't know, didn't know)
What I did wrong
(I did wrong, I did wrong)
But now
(But now)
I just
(I just)
Can't move on
Yeah, yeah, yeah Since she left me
(She left me)
She told me
(She told me)
Don't worry
(Don't worry)
You'll be okay, you don't need me
Believe me you'll be fine Then I knew what she meant
And it's not what she said

Now I can't believe she's gone
Well, since she left me
(She left me)
She told me
(She told me)
Don't you worry
(Don't worry)
You'll be okay, you don't need me
No, believe me you'll be fine
Then I knew what she meant
And it's not what she said
Now I can't believe that she's gone
