

# Love Will Find a Way

Yes

You wanna get close to me  
The feeling so clear  
But I need some time to see  
Vision through my tear You wanna get next to me  
I need your intrusion  
I don't need to be  
Blinded by confusion Here is my heart  
Waiting for you  
Here is my soul  
I eat at chez nous Love will find a way  
If you want it to  
Love will find a way  
Love will find a way for me and you Love will find a way  
Love will find a way  
Love will find a way  
Love will find a way So you want to get over me  
And that's how you feel  
Everything you want to be  
Seems so unreal I want to be all of you  
And that's the confusion  
It's so hard for me  
To draw a conclusion Here is my heart  
Waiting for you  
Here is my soul  
I eat at chez nous Love will find a way  
If you want it to  
Love will find a way  
Love will find a way Love will find a way  
If you want it to  
Love will find a way  
Love will find a way Will love find a way?  
I believe that there's a way if you want it to  
Will love find a way? Love will find a way  
Will love find a way? Love will find a way
