

Honey (Def Club Mix)

Mariah Carey

Oh oh honey got me hooked on you

C'mon MC C'mon MC

I like that

Oh honey you can have me when you want me

If you simply ask me to be there

And you're the only one who makes me come running

'Cause what you got is far beyond compare

And it's just like honey

When you're love comes over me

Oh baby I've got a dependency

Always strung out for another taste of your honey

It's like honey when it washes over me

You know sugar never ever was so sweet

And I'm dying for ya, crying for ya, I adore ya

One hit of your love addicted me

Now I'm strung out on you darling

Don't you see

Every night and day

I can hardly wait

For another taste of honey

Honey I can't describe

How good it feels inside

Honey I can't describe

How good it feels inside

I can't be elusive with you honey

'Cause it's blatant that I'm feeling you

And it's too hard for me to leave abruptly

'Cause you're the only thing I wanna do

And it's just like honey

When you're love comes over me

Oh baby I've got a dependency

Always strung out for another taste of your honey

It's like honey when it washes over me

You know sugar never ever was so sweet

And I'm dying for ya, crying for ya, I adore ya

One hit of your love addicted me
Now I'm strung out on you darling
Don't you see
Every night and day
I can hardly wait
For another taste of honey
Honey I can't describe
How good it feels inside
Honey I can't describe
How good it feels inside

Harlem world we won't stop
For Mariah
You're on fire
Harlem world we won't stop
So Mariah
Take us higher
Harlem world we won't stop
For Mariah
You're on fire
Harlem world we won't stop
So Mariah
Take us higher
Breakdown

Whoa whoa every little thing you do

Now, what we gonna do right here
Is we gonna smooth it out
C'mon

Oh oh honey got me hooked on you

MC

And she won't stop

And it's just like honey
When you're love comes over me
Oh baby I've got a dependency
Always strung out for another taste of your honey
It's like honey when it washes over me
You know sugar never ever was so sweet
And I'm dying for ya, crying for ya, I adore ya
One hit of your love addicted me
Now I'm strung out on you darling
Don't you see

Every night and day
I can hardly wait
For another taste of honey
Honey I can't describe
How good it feels inside
Honey I can't describe
How good it feels inside
