

Breaking My Phone (feat. Girli)

Oscar

Yo Oscar
Hey Girli
Don't you just hate it when people won't text you back
Yeah I think it's really boring
I swear you wrote a song about that
Oh yeah I did
Don't know what else to say
I don't know what else to do
I don't know what else to say but keep me away from you
So there's someone else
But I'm stuck on this shelf
But please don't look at me like I'm some kind of fool
For loving you
Cause I'll keep on breaking
My phone
My phone
After I've spoken to you
I'm shaking
My bones
My bones
And it won't go
And it's all a shame
I've got myself to blame
Just rolling around the same track
And I'm going insane
oh woah
Cause I'll keep on breaking
My phone
My phone
After I've spoken to you
I'm shaking
My bones
My bones
And it won't go
Find it kinda funny that you think that you can blank me
You say that I'm your only babe and then you don't reply me
I hope the button accidentally switched to silent in my pocket
Cause otherwise it means you clocked my text but didn't unlock it
Should have sent something mean and standoff-ish

So that you'll love me to death and I get [?]
Break-up up songs on repeat, read receipts, user chi[?]
You play me like game of monopoly
Read at 4.26[?] what's the stitch
It's 8 pm now and I'm thinking who's this other...
I don't care if you own a brick, Nokia 3 6, a limited edition, [?]
Make it the middle ages send me a transcript
A love letter not a snapchat pic
Cause that would be better than this ish
If you're only in my phone then I might as well break it
Cause I'll keep on breaking
My phone
My phone
After I've spoken to you
I'm shaking
My bones
My bones
And it won't go
But I'll keep on breaking
My phone
My phone
After I've spoken to you
I'm shaking
My bones
My bones
And it won't go
My phone
My phone
My phone
And it won't go
