

Dreamer

Sabrina Starke

She's a dreamer, freedom fighter, a believer. At times she flies too
So high you have to break your neck to see, cause she's a dreamer
She's a dreamer, she's a dreamer.
I am singing this message for you
Open your heart and ears. Let it slowly in
As she unravels, predicts her future
Feel and know that, she's a dreamer And I am singing this message to you all
Message to you all, non-believers this is for you
Message to you all, message to you all, non-believers
Stargazer, don't be hiding. Show your talent. Let it shine through.
Don't think you're going to slumber your way out of this here transformation, alternation And I am singing this
message to you all.
Message to you all, non-believers this is for you
Message to you all, message to you all, non-believers
This is for you.
This is for you.
This is for you.
This is for you.
This is for you.
This is for you.
Message to you all, message to you all, non-believers
Thru the valley of creation I stand
I will fear no evil fear no man
I'm dreamer yes I'm a believer
I will find my way because I am And I am singing this message to you all
Message to you all, non-believers this is for you
Message to you all, message to you all, non-believers
