

# Oh My Gosh

## Groovenatics

Oh my gosh, oh my gosh  
Oh my gosh, oh my gosh  
Oh my gosh, oh my gosh  
Hey, you check it, I think it's time to wreck it  
So here I go again with the stuff, so let's test it  
Cool like tha ice Vanilla here's the flava  
Freezin' up tha mic to hit ya with, so you can savor  
No slippin' nor stonin' gettin' straight to tha point.  
Hit tha mad izm and light another joint  
Tha easy like style is what I kick when  
I'm kickin', no trippin', I'm spliffin'  
So get a good wiff and get with tha style  
That I'm using no guessin'  
So here's a quick lesson I got my Smith & Wesson  
Listen up close and there will be no confusion  
Now you're addicted to mentally abuse it  
Word to tha mutha, I'm here to tear it up  
And if ya can't get with it, I don't give a  
So run and tell ya crew and tell 'em ICE is  
Near this here is for tha people the ICE is rated lethal  
Here I come with tha nine in my hand  
It's time to wreck shop now tell me who's the man  
Just like Ali I'm tha thriller in Manilla  
Tearin' stuff up like my man godzilla  
Makin' tha suckers drop when ya steppin'  
To my zone comin' straight up like my man Al Capone  
You try to cross me up I'll jump you like you was a checker  
And like jerry Rice I'm into breakin' all records  
Rollin' with my crew firm up a blunt  
My hands on tha pump bust you on beach front  
In case you forgot I'm here to remind you  
I'm chiller, chiller than the ice on Vanilla  
Word, word to tha herb as you heard  
I'm hittin' 3 pointers just like Larry Bird  
You can't touch this, welcome to tha hit list  
Try to play me out, you catch a big fist quick  
Pop in ya eye, don't try to ask me why  
'Cause it's like that fool ya hangin' with tha ICE  
'Cause it's cool and like I said this here's for

Tha people tha ICE is rated lethal  
It goes a 1 to tha 2 to tha 3 to tha 4  
The ICE be tha leader, so open up tha door  
Check it out, 'cuz what I'm all about is gettin'  
Mad paid, 'cuz the green is real sticky  
My stuff is kinda tricky, so listen up close  
And when ya ask tha ladies they love tha ICE tha most  
So open up ya car and look inside here  
And keep ya self in line you and please don't stare  
'Cuz cool is how I'm coolin' and there just isn't nuttin' to it  
Don't ask me no questions, 'cuz you already kew  
Now get with tha program and listen to tha style  
So lend me an ear so I can get buckwild  
Ya girly can't resist it so chill while I kick it  
So bur a hootie mac so go ahead and twist it  
My records on tha table, I'm droppin' it on tha  
Needle, this here is for tha people that ICE is rated lethal
