Alive (feat. Coucheron)

Advisory - the following lyrics contain explicit language:

(Verse 1) :
Rain is good for the soul
Crazy, how I feel the most warm when it's cold
Drive set the window and I jumped down to the floor
I assume this is when I would miss you the most(Pre-Chorus):
I'm like damn,
I've got the snow power you laid your head , we used to go round and round
Makin' love, in my bed
We were in so deep, we could barely rest
But now I found a way to heal myself instead(Chorus):
And damn I feel alive (Woah-oh-oh-oh)
Baby, damn I feel alive (Woah-oh-oh-oh)
It's like something has to die (Woah-oh-oh-oh)
To help you realize (Woah-oh-oh-oh) damn I feel alive(Verse 2) :
We were in a weird place
Crazy, how a person you love can just change
Now I am learning to realize we needed our space
I'd never hurt you we used to be great(Pre-Chorus) :
And you used to say,
What goes around comes around so fast
Now just look at the way,
I'm movin' on and your stuck in the past
I deserve a love, that is gonna last
But until then, I will just raise this glass(Chorus)(Verse 3) :
(I feel, I feel)
Turn this song up if you feel alive
(I feel, you feel)
Let it all go cause right now's the time
(Let go, live long)
So you can be free, yeah free to fly
I know it's hard, but it's worth it
Cause ..(Chorus)
