

# Private Party

Ian Isiah

Yeah, yeah, yeah  
Tell me if it's a crime, maybe I'm wrong  
I'm out of my mind, when I see what I want  
Come and get it, I'm grown  
Don't forget it and I don't mind showing him  
I'm so wide open tonight  
Baby, tonight we can spend some quality time  
You'll tell me secrets, baby, I'll tell you mine  
You can rest your feet and unwind  
For a minute, be mine, for a minute  
You're so invited to the party  
I will cater to you  
Make you feel like a man  
I can, so come on  
If you give me your sight, I'll make a move  
'Cos I handle just fine, I wanna see what I want, boy  
Come and get it, I'm grown, don't forget it  
I'll put it all on the table, I'm willing and able tonight  
Baby, tonight we can spend some quality time  
You'll tell me secrets, baby, I'll tell you mine  
You can rest your feet and unwind  
For a minute, be mine, for a minute

You're so invited to the party  
I will cater to you  
Make you feel like a man  
I can, come on  
I'll do anything I'm not supposed to  
And I just hope you're ready  
When I approach you, here's your invitation  
You're so invited to the party  
I will cater to you  
Make you feel like a man  
I can, come on  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
You're so invited to the party  
I will cater to you  
Make you feel like a man

I can, come on  
You're so invited to the party  
I will cater to you  
Make you feel like a man  
I can, come on
