

# Baby I Love, Love, I Love You

## The Partridge Family

I'm sleeping and right in the middle of a good dream  
Like all at once, I wake up from something  
That keeps knocking at my brain  
Before I go insane I hold my pillow to my head and spring up in my bed  
Screaming out the words I dread  
I think I love you  
(I think I love you) This morning, I woke up with this feeling  
I didn't know how to deal with  
And so I just decided to myself  
I'd hide it to myself And never talk about it and didn't I go and shout it  
When you walked into my room  
I think I love you  
(I think I love you) I think I love you, so what am I so afraid of?  
I'm afraid that I'm not sure of  
A love there is no cure for, I think I love you  
Isn't that what life is made of? Though it worries me to say I've never felt this way  
Believe me, you really don't have to worry  
I only want to make you happy and if you say, hey, go away  
I will but I think better still, I ought to stay around and love you Do you think I have a case?  
Let me ask you to your face  
Do you think you love me?  
I think I love you
