

Five Minutes Alone

Pantera

I see you had your mind all made up you group of
Pitiful liars, before I woke to face the day, your master
Plan transpired, something told me this job had more to
Meet the eye, my song is not believed? my words some
What deceiving? now I'm unwhole You've waged a war of nerves
But you can't crush the kingdom Can't be what your idols are, can't leave the scar
You cry for compensation, I ask you please just give us 5 minutes alone I read your eyes, your mind was made
up, you took me for
A fool, you used complexion of my skin for a counter
Racist tool, you can't burn me I've spilled my guts out
In the past taken advantage of because you know where I've come from my past
You've waged a war of nerves
But you can't crush the kingdom Can't be what your idols are, can't leave the scar
I bury your compensation. I ask you please just give us 5 minutes alone
