

On Time God

Dottie Peoples

Listen..He's an on time god, yes he is
oh oh oh oh, he's an on time god yes he is
Jobe said, he may not come when you want him
but he'll be there right on time
I tell you he's on time god yes he is.

You can ask the children of isreal, trapped at the red sea
by that mean old pharoh and is his a army
they had a water all around them and pharoh on their tracks
Out of no where, God stepped in and made a highway just like that

Well let me tell you he's an on time god, yes he is;
oh oh oh oh, he's an time god, yes he is;
Jobe said, he may not come when you want him
him but he'll be there right on time
I tell you hes an on time god yes he is

You can ask the five thousand, hungry souls he fed;
On the bank of the river two fish and five loaves of bread
What a miracle, he performed for the multitude
the good he did, way back then, he'll do the same for me and you!

Well let me tell you he's an on time god yes he is
oh oh oh oh, he's an time god yes he is
Jobe said, he may not come when you want
him but he'll be there right on time
I tell you hes an on time god yes he is

i believe if we call on him like daniel did in the lion's den
I think he'll say something like this
 hes on time
 on time
 he's on time
 on time
 he's on time
 oh yes he's on time
 on time
 on time
 on time
 on time

on time
on time
oh yes he's on time
