Won't Stop

OneRepublic

Now I stared at you from across the room Until both my eyes were faded

I was in a rush, I was out of luck

Now I'm so glad I waitedWell you were almost there, almost mine, yeah

They say love ain't fair but I'm doing fine'Cause I swear its you, I swear its you

I swear its you that Ive waited for

And I swear its you, I swear its you

I swear its you that my heart beats for

And it aint gonna stop, no it just wont stopNow you are fire by night but when the morning light comes

Comfortable as rain on Sunday

And Im a lucky soul that holds your hand so tight

Hope you hear this one day

Dont fool yourself this is my truthI swear its you, I swear its you

I swear its you that I've waited for

I swear its you, I swear its you

I swear its you that my heart beats for

And it aint gonna stop, it just wont stop You take this hand, you take this heart

Stir my bones from a thousand miles apart

It feels so cold without you like it's ten shades of winter

And I need the sunAnd I swear its you, I swear it's you

I swear it's you I waited for

I swear its you, I swear it's you

I swear its you that my heart beats for I swear its you, I swear its you

I swear its you that Ive waited for

I swear it's you, I swear it's you

I swear its you that my heart beats for

And it aint gonna stop, it just wont stop

It just wont stop, it just won't stop noI swear its you, I swear its you, oh yeah
