

# Never

## Emarosa

How can I live with myself?  
Forgiven what I did, I'm not into this yet  
But I don't remember  
I know change comes from you (How can you live with yourself?)  
Loving me the way you did  
You treated it like ghosts)  
But I'm scared to remember  
What I did to you Never gonna leave  
Never gonna hurt you  
Just say "Yes" (Say "Yes")  
Never gonna leave  
Never gonna hurt you  
Just say "Yes" (Say "Yes")  
And now I'll take my second chance  
And I'll show you what I have to give  
You know I never even noticed  
How did I know that I was running from this?  
And I want what I want  
And I'm not giving up  
And I know you feel how I have changed for us  
I did it Maybe down the road when we have one little one in our hands  
I'm feeling, I'm feeling, I'm feeling, I'm feeling, I'm feeling so [?]  
You know I cherish every moment  
You know I cherish you Never gonna leave  
Never gonna hurt you  
Just say "Yes" (Say "Yes")  
Never gonna leave  
Never gonna hurt you  
Just say "Yes" (Say "Yes")  
You know you matter so much to me  
All this time you waited for me to show you who I can be  
I'm giving this to you  
(I see the man I need  
I see everything I wanted this to be and)  
You know you matter so much to me  
I'm giving this to you
