

Unconditional

Alex Clare

I don't,Â no, I don't know enough
I don't know nothing at all,Â but I know this good love
Good love
You don't no, you don't need enough
You don't need nothing at all,Â but you need this good love
Good love,Â whoa, whoa, whoaYou need love
Off some of mine
Got no time for ache
That's just fine
Life's too short
To be angry
Take it out
Take it out on meGet to know ya
I wanna play a part
I wanna know every inch of your heart
So let rain
A love supremeÂ of the unconditional kind
It's what we all dream of
It's what we all dream ofI don't, no, I don't know enough
I don't know nothing at all, but I know this good love
Good love
You don't no, you don't need enough
You don't need nothing at all, but you need this good love
Good love, whoa, whoa, whoaBe it now
If you wanna be
I got something to give,Â no negativity
Don't know what it is
But, it is something good
And I won't let it lieÂ or be misunderstood
There is nothing
Nothing left to say
So, I show my actions
In the deepest way
The riddle of you
So selfless
Never be broken
I feel helpless
Feel helplessI don't, no, I don't know enough
I don't know nothing at all, but I know this good love

Good love
You don't no, you don't need enough
You don't need nothing at all, but you need this good love
Good love, whoa, whoa, whoa I don't, no, I don't know enough
I don't know nothing at all, but I know this good love
Good love
You don't no, you don't need enough
You don't need nothing at all, but you need this good love
Good love, whoa, whoa, whoa
